

Homework 1 : Linking
CMSC 242
Spring 2015

Do exercises 7.6, 7.8, 7.9, 7.10a,b.

Then complete exercise 7.15 using one of the lab systems (such as frodo).

Hints: You will need to use the commands from section 7.13. For 7.15b, remember that all executable code goes in the ".text" section of an object file.
